## PROMOTIONAL RELEASE

Fairfield University produces a variety of printed and electronic materials to recruit students and to keep our alumni, students, parents, benefactors, friends, and the general public informed about our programs, student and faculty accomplishments. These materials may include a quarterly alumni magazine; an annual report; various brochures, posters, and postcards; a website; press releases, electronic and print advertisements for placement in newspapers, billboards, internet sources and magazines. In addition, our Media Center often makes videos about various aspects of the Fairfield University experience to show during special events attended by students, alumni, benefactors, and others.

In producing these different communication pieces, we very often use photographs or footage of undergraduate, graduate, summer programs, and continuing studies students. These are sometimes accompanied by oral and/or written testimonials that help demonstrate how Fairfield University has made a positive difference in their lives.

We hope that you will help us continue to communicate effectively about the value of a Jesuit education at Fairfield University by signing this Promotional Release in the space provided above.
